Thank you for trying to schedule this meeting on a day that does not interfere with seeing cases. Our second evaluator is only here on Mon. Tues. Thurs. and sometimes just until 1:15. Unfortunately, I am out on 12/12 so that does not work. The only options I see are either early on 12/5 before MOCJ or if that does not work, I will need to take a 730 case off the schedule on 12/4.

Hello,

I was wondering if it would be possible to reschedule our meeting next Tuesday to a Wednesday or a Friday? Dr. Kaye has advised us of a scheduling conflict that has come up and we would like for her to be in attendance. She suggested a Wednesday or a Friday as an alternative. Please let me know if this is possible.

Hi Dr. Jain:

I understand that this has been scheduled but I'm wondering, do other court clinic directors forgo important meetings in order to perform exams? Or do they have adequate coverage to avoid being excluded from meetings?

My role as BCC director does entail being present and providing input at these types of meetings. This is the second time a meeting has gone forward without me after I made a scheduling conflict known. Given that I have the most extensive knowledge about the functioning of the BCC, it's concerning that I would continue to be excluded from meetings.

As a reasonable alternative, I suggest we reschedule to a Wednesday or Friday when I do not have a second evaluator to see 730 cases. Or perhaps you could send Dr. Brayton or someone else up here on 12/4 to perform exams with Dr. Mullan?

Thanks

Hi Dr. Jain,

On 11/15 I said 'as far as I know, I'm available' because there were no cases scheduled at that time. We've received new referrals since 11/15. In order to avoid adjournments and to accommodate the need for a timely reevaluation of [REDACTED], I cannot block out this day. Mr. Bloom is mostly available on Mondays and Tuesday and he sits in on all LAS cases. We want to

ensure that his misdemeanor cases are seen. Prime DOC production time for our cases is 10a to 1pm.

Our schedule is dynamic. I'm letting you know the status and that I'm double booked. I'm fine with whatever you decide to do.

Thanks

Hi Dr. Kaye,

Minus Mr. Kalish.

We scheduled this meeting because on 11/15 you said you would be free on 12/4. We would like you to be present, but do not want to adjourn cases. Please let us know if you are okay with us still keeping our meeting with Mr. Kalish if you cannot make it, and we can of course fill you in afterwards.

Thank you,

Beesh

Hi Dr. Jain,

I see a meeting is scheduled in the Bronx with Mr. Kalish on 12/4 at 11am. I do not know what this is about or if you are expecting me to be present, but if so please be advised that we have cases scheduled that day and I may be in an evaluation at that time.

Also, I will be working to finish up a report on a high profile case that is due the next day. If my presence is necessary, we may need to reschedule the meeting or adjourn cases. Dr. Mullan only works Mondays, Tuesdays and Thursdays so these are heavy evaluation days. Please let me know how you wish to proceed.

Thank you
